Total Cost: \$ _____ (CHECK for \$ _____ to NDT and \$20 CASH for cleaning.)

Payment: Please leave a check made out to "NDT" for \$25 per night along with a separate cleaning fee of \$20 in cash. Thus, for a 5 night stay in one room, you would leave a \$125 check made out to NDT and \$20 in cash in your room and lock the door behind you.

Linens: We have made the bed(s) and laid out towels for you to use. There is no daily cleaning. If you need anything, please contact AmyBeth at 303-938-9128 or 303-579-5581.

Food and Cooking: We ask guests not to keep any food or drink in their room(s) as it will attract mice and other problems. The dining room, refrigerator and microwave in the Common House may be used. But please do not cook in the kitchen or leave messes for others to clean. Please label any food you store in the kitchen with your name and date.

Community Meals: We often have community meals that you are welcome to join. Check the on-line event calendar or the calendar hanging upstairs next to the bathroom to see when they are happening. Then ask a Nylander to put you in touch with the cooks so you can ask to join in. Please try to ask 3 days prior to a meal. When you join in on a meal, please pay the cooks \$5 per adult and \$2.50 per child at the beginning of the meal. Also, please help them for 30 minutes with the cooking and/or cleaning.

Facilities: You are welcome to use the Common House living room, library and meditation rooms.

Liability: You will be charged \$10 for the replacement of keys that are lost or not returned upon departure. You are also responsible for any damage done to the room or bath including stains in the carpet.

Lock Up: The Common House is locked at night around 10pm. Your keys include one to open the main doors. This can be a bit tricky. To unlock the door, rotate the key counter clockwise one quarter turn to the 9 o'clock position and back. Then turn the door knob. To lock the door, turn the key three quarters turn clockwise to the 9 o'clock position and back. Please make sure to check that the door is locked.

Locked Out: It is common to accidentally lock yourself out of your room when using the bathroom across the hall. Please make sure your room door is unlocked and/or take your keys with you. If you do lock yourself out, call AmyBeth at 303-938-9128 or 303-579-5581.

Pets: Pets of any kind are not allowed in the guest rooms nor the Common House.

Not Allowed: The following are not allowed in the guest rooms or in the Common House: Food, Drinks, Pets, Guns, and Non-prescription Drugs.

Safety: While Nyland is a very safe place to stay, we cannot guarantee or be responsible for the safety of valuables left in your room even when the doors are locked.

Check Out: Please leave your room by 11am so we have time to clean it before the next guests arrive. When departing, please leave payment and keys in the room. Then lock the door to the guest room.

We hope you have a wonderful stay.
