

I live in a 3 bedroom house at Nyland and my downstairs bedroom and bathroom are available. I travel a lot in the winter. There is lots of light and a door to the backyard. I'm looking for someone who wants to share meals and likes to laugh. Someone extroverted. **Please no hermits.**

**Someone interested in participating in community**

The house is very quiet with a view of the Rockies and Flatirons.  
Use of kitchen and living room and decks included.  
There is an extra living room off of the downstairs bedroom.

No pets please.

No shoes inside.

Must be neat.

No extra storage space.

No scents, incense or perfumes

Single person only

Yes to Joy, community, sharing, awe and wonder!

Rent \$950 per month

\$200 Security/cleaning deposit

Another Option: If you want to experience Nyland you can rent the house while I am out of town: November 16- Dec 3; Dec 5-12, January 1-15. Price negotiable.

**Please tell me a little about yourself: Income/job, needs, health, disposition, etc.**

Peace and Blessings, Brenda
